

# Hello Chef

A recipe application that is tailored to help students make the most of the ingredients that they have

# 1

## Scan and track

The app allows you to scan and keep track of all the items that you have in your fridge

# 2

## Find Recipes

You can then look up recipes and find meals based on what you have in your fridge

# 3

## Your tastes

Decide what you like and dislike so that the app can tailor match you with recipes you're sure to enjoy
